

# A Week to Exploit Bedroom Furniture

DO you know that Hecht Co.'s stock of Bedroom Furniture is one of the finest in the city? Do you know that we show complete outfits for the bedroom, from the most inexpensive to the magnificent period suites costing several hundred dollars, complete to the minutest detail? Our stocks of Bedroom Furnishings are so varied—so large—that we've set a week in which to exploit Bed Chamber Furniture.

**Hecht & Co.**  
Seventh Street Near F

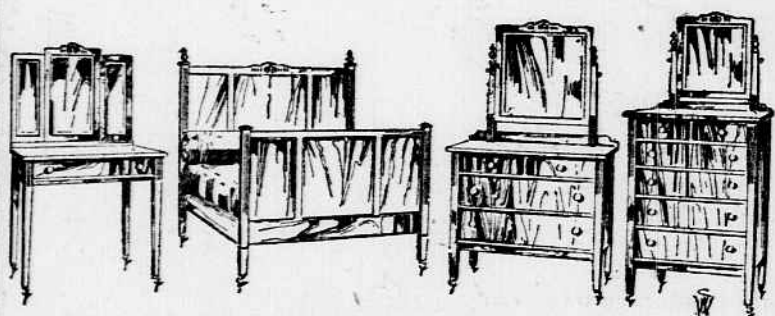

A VISIT to the aisles devoted to Bedroom Furniture will prove a great surprise—as well as an interesting and most profitable trip. Particular attention is called to the magnificent stocks of Artistic Period Furniture for the bedroom—in complete suites and odd pieces—William and Mary, Queen Anne, Elizabethan, Adam and Louis XVI Periods being well represented.

This Is One of the "Different" Bedroom Suites We Are Offering During Bedroom Week

It is in the popular William and Mary period, constructed of genuine antique mahogany and hand finished. We are sure of unstinted praise when you see it. The suite as pictured (a picture, by the way, that doesn't do it justice) consists of a dresser, triplicate mirror toilet table, chiffonier to match and a ladies' desk. For the price you can hunt the whole city over and find nothing to equal it in attractiveness and honest workmanship. Special low price of.....

Here's a Colonial Suite of Four Pieces, Including Wood Bed

The colonial design in bedroom furniture will without any question always be popular, because it is graceful, lends itself to rigid construction, and in mahogany takes on a polish that is highly pleasing. This suite is no exception. The suite consists of a Napoleon bed, dresser, chiffonier and toilet table..
